ALL MEMBERS/ASSOCIATES OF THE CLUB HOUSE

Dear Members/Associates,

On behalf of our Hon'ble President Shri Sharad Pawarji, Vice President Shri Raj Purohit, Hon.Treasurer Shri Manish Ajmera and Members of the Managing Committee, we hope all Members/Associates and their family members are in good health and continue to remain the same.

These are unprecedented and desperate times. None of us dreamt of such a dire situation when this new decade of 20s started in January. We have been in a lock-down mode these days to slow down the spread of Coronavirus Disease and we know this is the only option for countries like India where we do not have the wherewithal to treat millions, when things suddenly take a turn for the worse.

All Commercial, Private and Social Establishments are closed by governments lock down order. Thousands of factory, construction and other casual workers have lost their jobs and have become homeless in the city they were working. Central and State Governments are doing their best to support them financially as well as by providing food and shelter.

At this point we would like to thank all people on the frontline of this pandemic including all doctors, nurses, first responders, frontline medical workers, hospital support staff and all others for their courage, selflessness and working relentlessly every day - saving lives.

The safety of our esteemed Members/Associates is our utmost priority and we respect all governmental obligations and rules to keep everyone safe and sound. In these challenging times, we all have to join our hands together to overcome this global challenge.

Garware Club House wishes to join hands with our Prime Minister for a noble cause and manage a Fund, a philanthropy created to support such affected local communities by your generous & voluntary contribution of Rs. 500/- or more per Member. Contributions will be debited to the Membership Account of all Members/Associates. Out of the total contribution collected, 50% would be donated to the "CHIEF MINISTER'S RELIEF FUND – COVID19" & the balance 50% to the "PM CARES FUND".

Those Members who would choose to OPT OUT from the above Voluntary Contribution, are requested to send a SMS on Mobile No. 99307 71481 with message "NO" mentioning their Membership Number.

In the past also Garware Club House has contributed by way of donation to the government during major crises like the Earthquake, Tsunami, etc. We humbly look forward to support this cause as well.

We urge all Members to protect themselves & their family members from the COVID-19 Disease. On receipt of Government directives the Club House shall be Open to Members. Till then, BE SAFE & STAY AT HOME.

Thanking you,

Yours sincerely,

RAJ K. PUROHIT
Hon. Vice President
